ABSTRACT

Serendipity-The Gift Oasis is an e-commerce website designed to provide a quirky and personalized shopping experience for customers seeking remarkable gifts. It aims to provide a refreshing and rejuvenating destination of gifts for customers, also provides an intuitive and user-friendly interface for smooth navigation.

We aim on providing features such as gifts for various categories which includes occasion-based, recipient-based, interest-based, self-care-based and fun-based gifts. Through these categories, the website assures the customers to easily find the perfect gifts for their loved-ones or to treat themselves.

The front-end technology used to build this website is HTML, CSS and JavaScript. The back-end is MySQL- XAMPP, PHP for secure data management.

ACKNOWLEDGEMENT

It gives us a pleasure to present our project on “**Serendipity – The Gift Oasis**”.

This is our milestone in Bachelor of Science (Computer Science). We would like to express our sincere thanks to all the teachers who helped us throughout the project.
